## Anti-social Behaviour diary: Working together in our communities

enabling independent living

# Anti-social Behaviour diary

## What is anti-social behaviour (ASB)?

Put simply, it is behaviour which most people would find unacceptable and which is causing alarm, harassment or distress.

This diary is to enable us to obtain supporting evidence for the ASB you are experiencing. This information gathered will give us a good understanding of the issues you are facing and will allow us to address and hopefully resolve the situation. All you need to do is log all incidences of ASB for 14 days, arrange for the diary to be collected / send it back to us via the portal and we will work with you to make an action plan to hopefully reach an amicable resolution with your neighbours.

## If you believe criminal activities are being carried out, you should contact the Police.

You can also call Crimestoppers anonymously with information about crime. Crimestoppers will never ask for your name and cannot trace your call or any information you give online:

**0800 555 111** [www.crimestoppers-uk.org](http://www.crimestoppers-uk.org)

## Why do I need to give evidence?

Evidence is needed to enable case progression. It is important that you log all incidents in this diary. We will be in contact with you once the diary is returned.
